Joining the Business Partners Program will attune your business with the most highly respected and recognized arts organization in San Luis Obispo County. It's a creative way of supporting a local nonprofit while meeting your firm's needs for client entertainment, marketing and recognition.

Yesterday & Today The San Luis Obispo Symphony

SINCE ITS BEGINNINGS IN 1961, THE San Luis Obispo Symphony has been an artistic, economic, educational and community-minded force on the Central Coast. Its 10-month season of concerts and events includes a classical

masterworks series, chamber music, special concerts for families and children, and the annual seaside pops concert in Avila Beach. The Symphony's music education programs reach more than 16,000 children and adults every year with a variety of outreach, performance and experience activities.

Under the artful direction of Michael Nowak since 1984, the orchestra has toured the U.S., Spain and Australia, performing at Carnegie Hall in 2001, the Sydney Opera House in 2006 and the Walt Disney Concert Hall in 2008. Maestro Nowak – also an active recording musician and conductor in the movie industry – has overseen the Symphony's growth from a fledgling community orchestra to a thriving cultural presence in San Luis Obispo County and beyond.
